

Union win: Catholic Healthcare finally agrees to bargain!

Dear Member,

We are happy to report that Catholic Healthcare have finally agreed to bargain for your next enterprise bargaining agreement (EBA).

We only received this communication after lodging a dispute in the fair work commission.

Now the hard work starts of getting a new agreement that ensures a fair pay rise (with back pay) and improved conditions.

To be successful, we need to have HSU members involved in the negotiations.

If you haven't already, please fill out the HSU member survey at www.surveymonkey.com/r/Catholic_Health_2018.

If you are willing to attend the negotiations as an HSU representative, please email chris.friend@hsu.asn.au.

We are only able to get good pay rises and conditions when we have strong membership. Encourage your workmates to join online at www.hsu.asn.au/join or phone 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
