

## St Vincent's Public Hospital Sydney: Voluntary Redundancies and Workload

Dear Member,

Attached is correspondence provided to the HSU by the Director of Human Resources, St Vincent's Health Network Sydney.

The letter is in direct response to questions and concerns raised by the HSU at the last JCC meeting held on April 26, 2018.

Members are particularly concerned that the voluntary redundancy process is having a profound effect on workloads, particularly where their colleagues have been successful in a voluntary redundancy.

### Member feedback requested
