

## Newly acquired Health Care sites: Update for members

Dear Member,

The HSU has met again with your employer to plan a way forward to bring your wages in line with current Health Care rates over a two year period. By now, you should have been provided with the following information;

- Classification tables demonstrating where your current classification will sit in the new structure. This will show your new rate of pay.
- Approach your Manager with any enquiries about the classifications. We also encourage you to send an email to the following Health Care address to confirm your classification: [nswclassifications@healthecare.com.au](mailto:nswclassifications@healthecare.com.au)
- If you have been provided with incorrect information or you can't see the appropriate classification or pay rate in the tables provided, contact Bargaining Officer Emma Williams at [emma.williams@hsu.asn.au](mailto:emma.williams@hsu.asn.au) for advice.
- No employee can have their ordinary rate of pay reduced as a result of the Agreement coming into operation.

Once every staff member at every site has received the information, another 7 days will be available for you to dispute your employer assigned classification. If you decide to do this, be sure to write down the reasons you wish to dispute your assigned classification. These should be based on duties, experience and qualifications. The dispute process will be outlined by newsletter shortly.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
