Dear Mr Howarth,

**Re: Introduction of On Call weekend cover in CSSD at Goulburn Base Hospital**

Goulburn Base Hospital has experienced an increase in theatre activity and associated sterilising activity over the last 12 months, at times requiring processing of essential instruments over the weekend period. In the past this had been done on an ad hoc basis and is no longer meeting the needs of the service.

This letter is to advise the Health Services Union that Southern NSW Local Health District (SNSWLHD) as per Clause 10 (ii) of the Health Employees' Conditions of Employment (State) Award 2017 would like to commence a consultation period regarding the implementation of an on call roster covering each weekend in line with the terms outlined in Clause 10 of this award. It is anticipated that a three month trial of the on call roster will commence following the consultation period. A sample roster will be provided at the staff meeting to be held on June 15 2018 and has been forwarded to you for your information.

Yours sincerely
