

People Matter Survey NNSWLHD

Dear Member,

It's that time of year again where the People Matter Survey comes out again.

The HSU is encouraging its members to take the time to fill it out.

After discussion at the Northern NSW LHD JCC, it was agreed that the HSU would send out a newsletter encouraging members to fill out the survey. Even more importantly, management has agreed that staff will be granted time to fill this out during work time.

If you have any problems being released from your duties for the 10 minutes it takes to do the survey, please let your HSU sub branch know so we can make sure you get the opportunity to do the survey.
