

2018 Delegates Conference – ‘Change the Rules’

Dear Member,

I am writing to advise that the union will be holding this year’s HSU Delegates Conference 30 September and 1 October 2018 at Rydges World Square in Sydney.

These dates have been chosen due to the amount of activity that is currently being undertaken during the period of July through September, and in an effort to avoid the electoral cycle. Members would also note that this period **falls on the long weekend in October** which may give members more opportunity to attend.

The conference will commence on Sunday afternoon, followed by an informal conference dinner and the presentation of Life Memberships. The main body of the conference will be held Monday 1 October commencing at 8:30am and going through to 3:00pm.

The theme of the conference is ‘**Change the Rules**’. Campaigning on this issue is equally important to members in the Public Health, Aged Care, Ambulance and Private Health divisions, due to the urgent need for governments and employers to responsibly commit to better resourcing and development of these various industries. The pendulum has swung too far in one direction – the rules need to change to restore balance and fairness in our workplaces.

Each sub branch will have the ability to have 2 (two) delegates attend, and delegates will be accommodated at Rydges World Square/Rydges Sydney Central. Please find a Registration Form **attached**.

Sub branches should advise the union of their delegate/s that are attending **by no later than 22 July 2018**. Notification of attendees should be forwarded to agm@hsu.asn.au.

The union will notify delegates of accommodation details by mid September. Any enquiries should be forwarded to your organiser in the first instance.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
