

St Vincent's Public Hospital: Post-Voluntary Redundancy workloads survey

Dear Member,

As you would be aware, St Vincent's Public Hospital has recently gone through a Voluntary Redundancy (VR) process.

It is the HSU's understanding that **39** employees have now accepted a VR and have left the organisation.

In response to feedback from members, the HSU is now seeking to determine what impact this process has had on workloads within the hospital. Please complete this brief survey, which will assist the Union in gathering this information:

Your HSU organiser Peter Mason will be visiting your workplace shortly and will be convening a meeting to discuss the matter with all members.

Please distribute this newsletter to your work colleagues for their information and comments and encourage them to attend the next meeting.

Not a member of the HSU? Now is time to join and have your say! You can join online at www.hsu.asn.au/join or call 1300 478 679 and join over the phone.

A union's effectiveness and negotiation power depends on the strength and density of its membership base. Join your work colleagues today by becoming a member of the Health Services Union and help us continue to protect and improve your working life.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
