

HammondCare Enterprise Agreement Negotiations Begin

Dear Member,

Negotiations for your new enterprise agreement are about to kick off! The first meeting is scheduled for next Friday, 6 July at 10am. It's an exciting time to be a union member because together we'll be pushing for improvements to your wages and your conditions at work. This is your agreement and union members can directly influence the process, to help get a good outcome.

As HSU members, you are automatically represented in the negotiation by the union. We will keep you up to date on the changes that management propose and we'll be seeking your feedback so that we can represent your views. The stronger and more united we are, the better outcome we can get.

If your colleagues are not yet HSU members but they want to be represented and want to campaign for better wages and condition, ask them to join today. They can join online at www.hsu.asn.au/join or by calling 1300 478 679 today.

Hundreds of HSU members have already had a say in the union bargaining survey. This survey sets the union's priorities for the negotiation and helps form our log of claims on behalf of HSU members. It's not too late to have your say. You can log on to www.surveymonkey.com/r/HammondCare2018 and fill in the survey this week. If your colleagues aren't members, you can ask them to join and fill in the survey too, so that their voice is heard.

We will be in touch with union members next week about the progress of negotiations. Keep an eye out for more information and if you have any questions, please contact your HSU representative or the union office on 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
