

BaptistCare Warena Roster Changes Update

Dear Member,

Your union representatives met with Baptistcare HR again today about the upcoming roster changes.

We are pleased to inform members that management have decided to delay the roster change until the 31st of July.

The new roster will be displayed on the 17th of July, and there will be a further 2-week consultation period.

We understand that many of the concerns raised are being considered or resolved.

If you have any further concerns, raise them with HR/management and please contact the HSU office on 1300 478 679.

We also understand that this change will extend to the other section of Warena, pending the outcome of the 3-month trial.

We also questioned whether other staff will be impacted by this change (e.g. kitchen or activities).

HR have informed us that so far, only care staff and nursing staff will be impacted. However, this may change, depending on the trial findings.

With so much change going on, it is important that all staff have protection. Please encourage your workmates to join online at www.hsu.asn.au/join or phone 1300 478 679. We are stronger together.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
