

Update: Classifications at Healthe Care newly acquired sites

Dear Member,

The HSU is still negotiating your enterprise agreement with Healthe Care for the newly acquired sites. Members should have received a classification from the employer by now. The process took longer than expected but is coming to an end.

The HSU would like any member who is unhappy with the new classification provided to let us know. We are happy to discuss the matter and dispute the classification on your behalf.

The dispute process will come down to an argument of how you exceed the employer assigned classification and how you meet the descriptor of the classification you feel is more a reflection of your current duties, qualification and experience. Once this process is complete, the agreement will go to a 7-day access period and then to vote. It's been a long process but we are almost there.

If you would like the union to assist you in disputing your employer assigned classification, please contact Bargaining Officer, Emma Williams on emma.williams@hsu.asn.au or 0409 744 165 to discuss.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
