

North Coast Radiology Enterprise Agreement Update

Dear Member,

The HSU Private Health Division has recently set a timeline with your employer for bargaining your enterprise agreement. We rely on your valuable input to achieve the conditions and pay rises that you expect to see in your agreement. The previous agreement has expired as the employer delayed negotiations. The HSU requested months ago an assurance that workers will be back paid from the expiry date of 30 June 2018, as they are not responsible for the delay. We have maintained that expectation and are expecting a written confirmation at our next meeting.

If you haven't yet completed our quick survey on conditions and pay, please visit https://www.surveymonkey.com/r/North_Coast_Radiology_EA. Your answers will help the HSU bargaining team to prioritise issues that are important to our members.

You can also forward any comments or questions to HSU Bargaining Officer Emma Williams via email emma.williams@hsu.asn.au.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
