

John Paul Village Enterprise Agreement

Dear Member,

Your union, the HSU, has been attempting to get the bargaining for your next enterprise agreement back on track.

We have informed your employer that the delay in bargaining for a new agreement causes staff stress and concern.

All workers should have certainty over their pay and conditions.

Throughout these discussions, we have been informed that John Paul Village may seek to align their enterprise agreement with the ACSA template (many Not-For-Profits have the same agreement).

However, we have not so far heard any official position from your employer.

We will continue to pursue this until a new agreement is finalised and workers at John Paul Village have certainty of wage rises and good working conditions.

We can only achieve good agreements with strong union membership. Encourage your workmates to join online at www.hsu.asn.au/join or phone 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
