

## John Paul Village Incorrect classifications

Dear Member,

Your union has become aware that John Paul Village may be employing some staff as Carer (CSE) Level 1, when in fact the staff should be employed as Level 2.

Level 1 is meant for entry level work that is restricted to only basic personal care and assisting higher level staff.

This is an issue we have successfully resolved in other companies and we are confident it can be resolved at John Paul Village.

We are putting together a claim to put to management for both an increase in classification and possible back pay.

If you are an HSU member who is currently employed at Level 1 and think you should be a Level 2, please email [agedcare@hsu.asn.au](mailto:agedcare@hsu.asn.au) with your employment dates and a brief description of your duties.

As we are only able to represent HSU members, please encourage any workmates who are Level 1 to join online at [www.hsu.asn.au/join](http://www.hsu.asn.au/join) or phone 1300 478 679.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
