

## **Northern Beaches Hospital Update: Letters of offer**

Dear Member,

The HSU has been advised that employees transferring to Northern Beaches Hospital will receive their letters of offer/contracts next week.

In order to assist our members, the HSU will be on site at both hospitals on the dates below to help members with any questions they have about their letters. For those members who are not transferring, we can assist you with any issues you have about your redeployment options.

**Manly Hospital – Tuesday 21 August 10:00 am-3:00pm**  
**Mona Vale Hospital – Wednesday 22 August 10:00 am-3:00pm**

You will find us in the staff meal room. Come down to have a chat.

If you are unable to see us on these days, you can send us an email on [northernbeaches@hsu.asn.au](mailto:northernbeaches@hsu.asn.au).

Please note: Our visit dates may change if there is a delay in the letters being issued to staff. If this is the case, we will advise members ASAP.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
