

Northern Beaches Hospital Update: Revised HSU Visit Times

Dear Member,

Please note: the HSU has been advised of a variation to the date that transferring employees will receive their letters of offer.

For this reason, the dates below have been revised.

The HSU has been advised that employees transferring to Northern Beaches Hospital will receive their letters of offer/contracts next week.

In order to assist our members, the HSU will be on site at both hospitals on the dates below to help members with any questions they have about their letters. For those members who are not transferring, we can assist you with any issues you have about your redeployment options.

Wednesday 22 August

Mona Vale Hospital 10:00am-12pm
Manly Hospital 1pm-3pm

Monday 27 August

Mona Vale Hospital 10:00am-12pm
Manly Hospital 1pm-3pm

You will find us in the staff meal room. Come down to have a chat.

If you are unable to see us on these days, you can send us an email to northernbeaches@hsu.asn.au.

Please note: Our visit dates may change if there is a delay in the letters being issued to staff. If this is the case, we will advise members ASAP.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
