

## HealthShare John Hunter Hospital: Proposed Work Group Formations

Dear Member,

The HSU has met with HealthShare regarding the formation of Work Health Safety Work Groups within John Hunter Hospital Patient Support Services. The HSU proposed that 13 work groups be established, with 2 HSRs per group. These work groups covered all areas of patient support and food services, as well as Rankin Park. Health Share have responded by proposing the formation of 8 work groups with multiple HSRs for each work group. HealthShare's proposed work groups are:

1. Rankin Park
2. Cleaning AM and PM (a number of representatives from both shifts)
3. Bed Makers
4. Wardspersons
5. HSAs
6. Supervisors
7. DTAs
8. Food Services

The HSU is seeking feedback from members regarding the work groups, as well as encouraging members to nominate to become Health Safety Representatives (HSRs).

Please contact Organiser Mick Kearns via email [michael.kearns@hsu.asn.au](mailto:michael.kearns@hsu.asn.au) by no later than Thursday 6 August regarding the work group formations.

The HSU thanks vigilant members for raising this matter.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
