

Grafton Base Hospital Wardspersons Roster Dispute

Dear Member,

This afternoon, following a meeting with wardspersons at Grafton Base Hospital, the HSU has formally notified the NNSWLHD that a dispute exists regarding the Employer's failure to comply with Award provisions on posting a new roster.

As such, the HSU has imposed the status quo on the current roster. Members will be reworking the current 4-week roster from Day 1 Week 1, commencing Monday 10 September, in lieu of management's proposed roster. Please contact Shanon Ranjit, Organiser via email shanon.ranjit@hsu.asn.au or Toby Warnes, Industrial Officer via email toby.warnes@hsu.asn.au with any queries.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
