

Calvary Bruce & Riverina Enterprise Agreement Update

Dear Member,

There have been employer-related delays to commencement of bargaining for Calvary Bruce and Calvary Riverina Enterprise Agreements. The HSU understands that executive turnover has been a factor. We have requested that there be no further delays. We intend to force a start to the negotiations, if necessary, as your current agreement has expired.

If you haven't already, please take a moment to fill out our surveys so that we can ensure we prioritise the issues most important to you.

HSU Organisers will be visiting sites in the coming weeks to speak to you about the process. We are also looking for some delegates to sit at the bargaining table and represent your coworkers. If you would like to be involved, please email HSU Bargaining Officer emma.williams@hsu.asn.au to register your interest.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
