

Moran Health Care Enterprise Agreement

Dear Member,

Following recent discussions with HSU members and the management of Moran, it has been agreed to commence the negotiations for a new enterprise agreement.

To assist the HSU to prepare a log of claims on behalf of HSU members we have a survey designed to find out what workplace issues are important to you.

The survey is online at https://www.surveymonkey.com/r/Moran_EA_2018, and it can be completed by members and non-members.

It is important for staff to get involved in the EBA process. The bargaining process is all about strength in numbers so to make sure we are in the best possible position to negotiate a good EBA we need you to get involved and encourage your colleagues to do the same. Together we can win improved terms and conditions.

If you have colleagues who are not HSU members, you should encourage them to join and have a say in their future working conditions. They can join by visiting www.hsu.asn.au/join, calling 1300 HSU NSW or by contacting the local organiser.

The union is calling for expressions of interest from HSU members who may wish to be part of the negotiations. Please forward your expression of interest to agedcare@hsu.asn.au by close of business 26 October 2018.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
