

## Change The Rules Rally in Newcastle

Dear Member,

Are you ready to **Change the Rules**?

This coming **Tuesday 30 October**, HSU members in the Hunter region will gather at **Newcastle Town Hall at 10am**, joining our brothers and sisters in the union movement to rally for justice for Australian working people. You can view the event page and RSVP on Facebook [here](#).

ACTU Secretary **Sally McManus** will address union members about the fight for a pay rise and fairness in the workplace.

### Will you join us?

For too long, the scales have been tipped in favour of employers and big business in this country. Wages have remained stagnant, while the cost of living goes up and corporate profits skyrocket. It's become harder and harder to find a secure job that can provide for you and your family, but businesses exploit our broken system to boost their own bank balances and avoid paying their fair share of tax.

It's time to restore the balance and a fair day's pay for a fair day's work. We can do this – let's stand together and **Change the Rules!**

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
