

John Paul Village Enterprise Agreement Update

Dear Member,

We have received communication from JPV Human Resources that the negotiations for your enterprise bargaining agreement will commence soon.

The formal paper work will be issued to all staff in the middle of this month and meetings will commence before the end of the year.

In these discussions, your union representatives have already highlighted some important issues including:

- No loss of conditions/benefits in the current JPV agreement (e.g. including the current length of service pay bonus).
- A positive and fair resolution to the medication pay/allowance.
- A process to move the 37.5 hours staff to fulltime within a reasonable time frame.
- Other issues as identified by HSU members in our survey process.

If you want to be part of the negotiations and have yet to let us know, please email agedcare@hsu.asn.au.

In any bargaining process, the strength of the membership is key to a good outcome.

Encourage your workmates to join online at www.hsu.asn.au/join or phone 1300 478 679. We are stronger together.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
