

Roseneath Aged Care Have you been paid for training?

Dear Member,

The HSU has received a number of calls from members who have not been paid for training completed outside of rostered hours. Your enterprise agreement requires Roseneath Aged Care to pay you for all training completed outside of your ordinary hours.

The Union has written to Roseneath Aged Care to let them know that it is completely unacceptable to underpay their staff and asked that Roseneath Aged Care attend to the payments owed to our members by COB Friday 23 November 2018.

If you have completed training that you have not been paid for let us know. Send a record of the time that you spent on unpaid training to Cindy Paull, HSU Organiser, by email to cindy.paull@hsu.asn.au with the subject line *Roseneath Aged Care Underpaid Me* and our trained industrial staff will be able to advise you on your claim.

If you are aware of anyone who is not a member of the HSU, tell them to join because the more members who stand together, the stronger we all are! They can join by calling 1300 478 679 or by visiting www.hsu.asn.au/join.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
