

NNSWLHD Laundry Allowance Update

Dear Member,

As you will be aware, the HSU has been in dispute with Northern NSW Local Health District regarding the payment of Laundry Allowance to members.

The dispute will now be entering arbitration. This means that the HSU will only be able to pursue back pay claims for members. Non members can join at www.hsu.asn.au/join or by calling 1300 478 679.

Members who wish the union to pursue a back pay claim for them should complete the HSU's brief survey at www.surveymonkey.com/r/nswlhd_laundry. The purpose of this survey is to collect the information which is essential for making a claim. Please complete the survey by close of business, **Friday 23 November**.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
