

ACT Health Bullying Survey

Dear Member,

Workers across wards, services and classifications at Canberra Hospital and Calvary Public Hospital have reported serious issues with bullying and harassment and the failure of the employer to effectively act on those concerns. An Independent Review into the workplace culture within ACT Health has been announced by the government, partly in response to concerns raised by members of the HSU, other unions, and the community.

The HSU would appreciate if you would fill in the brief survey at the following link, and share it with your coworkers:

The information collected will be used to inform the HSU submission to the Review and our advocacy for change. Individual personal details will be kept strictly confidential. If you have any questions regarding the survey, please contact your HSU organiser Ben Halliday via email ben.halliday@hsu.asn.au.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
