

Uniting Aldersgate: Updated meeting times

Dear Member,

Uniting HR have informed the HSU that the individual meetings with staff in relation to the redevelopment will now occur in January.

The tentative dates that we have been informed of are the 15th to the 17th of January 2019.

Members can be assured that HSU representatives will be onsite and available to represent members at these individual meetings.

It is important to note we will only be representing HSU members at these meetings. Encourage your workmates to join to receive support and representation at www.hsu.asn.au/join or phone 1300 478 679.

We hope that all HSU members at Aldersgate have a safe and happy Christmas.

We look forward to standing with our members in the New Year to continue to fight for fairness in Aged Care.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
