

Morisset Hospital Security Arrangements

Dear Member,

Yesterday afternoon, the HSU met with representatives of Mental Health and HNELHD to discuss current security arrangements in place at Morisset Hospital.

HNELHD has agreed to the current arrangement being extended until Monday 4th February. The same arrangement will continue in accordance with the HSU's [newsletter on the 2nd of January](#). Management have also been informed there have been issues with staff having their breaks in a timely manner and will work towards addressing this with HSU.

There is no change to the current SWP at present, however HNELHD has indicated that they wish to review the procedure. HSU has pointed out that any review of the SWP needs to be undertaken in consultation with HSU and our respective sub-branches. There will be a further meeting in the near future to once again examine the current arrangement. HSU members will be kept up to date.

If you know someone who isn't yet a member of the HSU, encourage them to join and have a say in their working conditions. They can join at www.hsu.asn.au/join or by calling 1300 478 679. We are stronger together.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
