

Allied Health Assistants Award HSU Meetings

Dear Member,

Attention to: All members employed as Allied Health Assistants, Diversional Therapists (without diploma) and Technical Assistant Orthotic

The HSU is convening meetings with Allied Health assistants to brief members on the new Award.

The meetings will start with a series of teleconference meetings so we can initiate discussions with all members in the shortest possible time. We will also arrange to attend meetings at the workplace.

The teleconference meetings are scheduled over four days, with two to three meetings each day. The HSU has set up a SurveyMonkey questionnaire for you to RSVP your attendance at any one of the teleconferences. You can also use the questionnaire to request a meeting in your area/workplace.

Those attending the meetings will be sent dial-in details for the teleconference and other relevant material.

Gerard Hayes
