

Update: Tweed Heads Domestic Services Rosters

Dear Member,

Before Christmas the HSU disputed the proposed Domestic Services Rosters in relation to the development and proposed imposition of new rosters that your HSU Sub Branch believed not to be fair.

On Wednesday 23 January 2 Union Specific Consultative Committee (USCC) will be held with management.

11am will be for the Wardsperson and Hospital Assistants Roster

1pm will be for HSA Roster and other concerns.

The HSU is permitted 4 representatives at each meeting. At the first meeting, it would be preferable to have 2 Wardspersons and 2 Hospital Assistants.

Please let Brad Evans, sub branch committee member, know if you are interested.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
