

Scott Hospital Scone Staffing Issues Update

Dear Member,

Following the HSU's sub branch meeting held on 29 January, HealthShare have agreed to meet with the Union and our members to have an open discussion regarding staffing and looking for a way to move forward. It is not known at this stage when this will occur.

In the meantime, the HSU is seeking two keen and dedicated members to take part in the meeting to voice the concerns of the group. Your organiser will also be there to provide support. If you're interested, please email Matt Ramsay at matthew.ramsay@hsu.asn.au by close of business Friday 8 February.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
