

Morisset Hospital WHS Concerns: Update

Dear Member,

Further to [HSU Newsletter 74](#) sent on 12 February, to date the HSU has not received any further correspondence from hospital management regarding our WHS concerns inside the 'Lorikeet' building.

There will be a sub branch meeting tomorrow **Friday 15 February at 9:30am** outside the 'Lorikeet' building to discuss members' options. Members are strongly encouraged to attend. It is only through our strength in numbers and power of the sub branch that we can bring about change in the workplace.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
