

## Support Disability, Support Workers: Sign the petition

Dear Member,

The National Disability Insurance Scheme (**NDIS**) is the biggest social reform since the introduction of Medicare, but many people are being left behind – both people with disabilities and the workers who support them.

The Abbott-Turnbull-Morrison Government have deliberately undermined the NDIS, meaning:

- People with disabilities, particularly those with complex disabilities, are finding themselves worse-off under the NDIS.
- The dedicated NDIS workforce – most of whom are low-paid women – are facing cuts to their wages and conditions due to inadequate NDIS pricing.
- Quality and safeguards for some of the most vulnerable Australians are being poorly implemented and undermined.

HSU National is fighting to put the heart back into the NDIS with the **Support Disability Support Workers** campaign. Sign the petition to the Morrison Government at <https://hsu.net.au/action/support-disability-support-workers/> and keep up to date with the campaign at [www.hsu.net.au](http://www.hsu.net.au).

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
