

## **You're invited: HNELHD Security Review Meeting JHH**

Dear Member,

The HSU has received a formal invitation to attend a meeting at John Hunter Hospital on Friday 22 March. The purpose of the meeting is to update stakeholders on Hunter New England Local Health District's security services review for that site. Below is an excerpt from the email correspondence received.

Members are strongly encouraged to attend the forum outlined below, and to provide as much information and feedback as possible to back our case for better resourcing and staffing of security services across the entire facility. Organisers will be in attendance and further meetings across the HNELHD are to follow.

*The HNELHD Security Review has now embarked on the staff consultative aspects of the project and a meeting has been organised for the Rankin Park Campus as outlined hereunder.*

*The purpose of the meeting is to ensure that staff have the opportunity to provide feedback on what is working well within current security systems and how we can improve moving forward to ensure a safe working environment for staff, patients and visitors. The areas of focus will be security processes, procedures, resources and staffing levels.*

*Staff will be encouraged to attend the meeting and you, along with other full time officials or local delegates are also welcome to attend and participate in the meeting. This is an information gathering exercise and it is not intended to be a forum to debate the issues or what is necessary to rectify them.*

**Rankin Park Campus Security Review Meeting**

**Time:** 1.00pm – 3.00pm

**Date:** Friday 22nd February 2019

**Location:** Lecture Theatre Level 3 Royal Newcastle Centre

Meetings at other locations are being organised. Once we are advised of the details, the HSU will inform members accordingly.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
