

## Mid North Coast Local Health District Disciplinary Investigations

Dear Member,

The HSU is currently reviewing the treatment of members when they are going through a disciplinary investigation. We are collecting information specifically around treatment of shift penalties and the use of the Service Check Register. This information is needed so we can identify the extent of the issues and take action to ensure members are treated in accordance with proper procedures.

The survey can be accessed by clicking on the following link:

If you have any questions, please contact your local HSU organiser.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
