

## Canterbury Hospital Understaffing

Dear Member,

Your union, the HSU, has been fighting to have vacant positions at Canterbury Hospital filled for the last 12 months. We have also been pushing for extra staff in departments where members are labouring under unreasonable workloads.

At a recent meeting with the Hospital Executive (Staff Consultative Committee) the Hospital General Manager was presented with a list of positions the HSU wanted filled. He was asked to give an undertaking to immediately fill those position, and refused to do this.

We want to know your view on this issue. Please take one minute to complete the HSU's brief survey by following the below link:

Please feel free to forward this link to your workmates. Even if they are not yet HSU members, they can still complete this survey.

I look forward to receiving your views on this matter.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
