

Update: Catholic Healthcare Enterprise Agreement

Dear Member,

As many members would be aware, the Catholic Healthcare Enterprise Agreement was voted down for a second time last week.

This strong vote demonstrates that Catholic Healthcare workers will not put up with being undervalued and disrespected. Well done to all members who voted and made sure their voices were heard!

It is now time for Catholic Healthcare Management to listen to their staff and put forward a respectful offer that truly values staff.

It is also very important that we hear from HSU members about the next steps in our campaign for a fair Agreement.

With that in mind, we invite all HSU Catholic Healthcare members to participate in a teleconference to discuss our campaign next steps:

Friday the 22nd of March at 3:30pm

Phone: 1800 896 323

Code: 9670642242

All members can participate and have a say on our options moving forward.

We can only fight string campaigns with strong union membership. Encourage your workmates to join the HSU online at www.hsu.asn.au/join or phone 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
