

## **Morisset Hospital Security Arrangements: Update**

Dear Member,

The HSU has received notification from HNELHD that the temporary security arrangement in place at Morisset Hospital since before Christmas has been withdrawn immediately. We are deeply disappointed in this decision, as there are still a number of unauthorised visitors trying to access the site.

Even more concerning is a memo distributed by management advising staff what to do in the event of unauthorised visitors accessing the site – acknowledging that unauthorised visitors will indeed try to access the site.

The HSU believes that this constitutes an unacceptable risk to the health and safety of members, as well as the safety of the patients. Therefore, we will be calling on HNELHD to reimplement the static guard immediately. The Union will keep members informed of further developments.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
