

## Canterbury Hospital Understaffing: HSU meeting to vote on action

Dear Member,

Thank you to all the members at Canterbury Hospital who took time to complete our survey on understaffing. It's clear from the overwhelming response we received that members are angry about management's refusal to fix the current staff shortages at Canterbury.

It's also very encouraging to see the number of members who stated you would act to try and make the employer fix the understaffing problems.

Now is the time to meet and vote on what action to take.

A meeting of HSU members at the worksite will be held as follows:

**DATE: Wednesday 3<sup>rd</sup> April**

**WHERE: Community Health building, group rooms 4 and 5**

**WHEN: 12 noon**

All HSU members are asked to attend. Please try and come during your scheduled lunch breaks. Non-members are very welcome and will be encouraged to join the HSU to make our union stronger.

The employer's refusal to properly staff this hospital has gone far enough, it's time to stand up and fight back. Come to the meeting and vote.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
