

Sutherland Hospital Safety Concerns: Complete the survey

Dear Member,

Members at Sutherland Hospital have raised concerns about Work Health and Safety issues in the workplace and the way in which safety matters are currently dealt with by hospital management.

In order to gather your feedback and plot the best way forward, we are asking you to complete a brief survey regarding WHS issues at the hospital. Please find the survey at the following link: <https://www.surveymonkey.com/r/Sutherland-WHS>. The survey can be completed by HSU members and non-members alike.

If you know someone who is not yet a member of the HSU, encourage them to complete the survey and join the union. Our ability to advance health workers' concerns is directly linked to our strength in numbers in the workplace. New members can join by visiting www.hsu.asn.au/join or by calling 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
