

NSW Health Social Workers & Dietitians: Grading Committee EOIs

Dear Member,

The HSU is seeking members who are interested in participating as a Union representative on Grading Committees from time to time.

NSW Health Determination No. 23 of 2007 *GRADING COMMITTEES – SOCIAL WORKERS AND DIETITIANS* provides for a Committee consisting of two employer representatives and two representatives of the Union to be constituted, to consider and recommend to the employer the grading of any new position or any variation of grading of a position as a result of any substantial change in duties and/or responsibilities.

If you are interested, your name will go on a list and you will be asked from time to time to participate on a grading committee. You can also make arrangements to suit your availability, either a face-to-face meeting or teleconference.

The HSU will arrange a short teleconference meeting of all interested members to run through the role and function of the committee.

If you are interested, please send an email to Ayshe Lewis, Manager Industrial Division at ayshe.lewis@hsu.asn.au, with the following details:
