Running sheets for NSWA vehicles

Many DDCOs, ZMs, DOMs, HRMs, Deployment Managers, ECPs, and PICUs, have recently been asked to start completing running sheets for the NSWA vehicle they take home most days. In fact, anyone who takes a vehicle home will be asked to do so.

It is unclear at this stage whether NSWA is correct in its assertion that ATO rules require such running sheets. However, given that most of the NSWA staff who are required to take cars home at night are already very busy people, throwing yet another job onto them has raised concerns.

The least NSWA could do is sit down and talk to them about the change and why it is occurring.

ADHSU has written to the Service requesting a meeting between finance and ADHSU representatives from several of the affected groups.
