

Montefiore Homes Negotiations

Dear Member,

The HSU has initiated the process to commence negotiations with your employer for your pay rise which is due in July 2019.

As with all negotiations, ensuring a fair pay rise that reflects the value of your work will not be easy.

It is vital that we have a strong union membership and active union members who are willing to participate in the negotiations.

If you are interested in attending negotiations for your pay rise, email agedcare@hsu.asn.au.

Encourage your workmates to join today online www.hsu.asn.au/join or phone 1300 478 679.

A strong pay rise can only be achieved by a strong union membership!

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
