Dear Mr Hayes

Relocation of Community Health Administration Relief Staff

I am writing to inform you of the intention to relocate the primary location of three of the administration officers in the Hornsby Ku-ring-gai Health Service (HKHS) Community Health Centre Coordinator team.

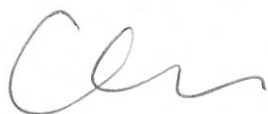

To date the administration positions provide relief to the Community Health Centre coordinators at three different Community Health Centres and are located at either Pennant Hills, Hillview or Brooklyn Community Health Centres.

The intention is to have the Administration Relief positions primarily located at Hornsby Ku-ring-gai Hospital from 29 April 2019. The staff will continue to provide leave relief to the Community Health Centre coordinators on site at the Community Health Centres. The administrative staff have been consulted regarding this upcoming change

Please indicate by return letter on or before 12 April 2019 any concerns you may have with this realignment.

Should you require further information, please do not hesitate to contact Ellen Hingston, A/Corporate Services Manager HKHS at Ellen.Hingston@health.nsw.gov.au or 0434 185 898.

Yours sincerely

Christine Tait Lees
A/Human Resources Manager
