

Have your say about your wages and conditions at Capital Pathology!

Dear Member,

The Capital Pathology Agreement is up for negotiation - so now it's time to [have your say](#) about the improvements you want for your wages and conditions.

You should have received a Notice of Representational Rights (NERR) sent out by Capital Pathology. As a union member you are automatically represented by the HSU in bargaining.

Management have indicated that they want to meet on Thursday 2 May, so the next step is to start preparing for bargaining.

Getting Ready For Bargaining

Please [click here](#) to have your say in our survey about your involvement in the bargaining process and the changes you would like to see.

After you and your co-workers have taken the survey, your responses will be collated and used to develop a list of claims. If you and your co-workers agree with these claims, these will be then presented to management.

If you want to know more about the process or would like to be involved, please contact your local HSU Organiser Gail Owens at gail.owens@hsu.asn.au.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
