

Hunter New England LHD Security Review Site Meetings

Dear Member,

The HSU has been issued with a schedule of upcoming meetings for the Hunter New England LHD's Security Review. The schedule is attached to this newsletter, for your reference.

Although most meetings are unconfirmed at this stage, HNELHD does not expect this schedule to be altered. However, arrangements at Dungog Hospital may be subject to change.

These meetings are your chance to raise any security related concerns about your workplace, regardless of whether you work in in security or not. We hope to see as many members as possible participating in these discussions.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
