

Join us for May Day: Sunday 5th May

Dear Member,

With the federal election coming, May Day has never been as important as it is in 2019.

It's time to come together to fight for a fairer Australia.

It's time to [#ChangeTheRules](#) and change the government.

Let's join together at this year's May Day March and Rally!

11:00am on Sunday, 5th of May at Hyde Park North.

We'll be joining community groups, other unions and leaders of the movement like Mark Morey and Sally McManus.

Our system has been stacked against ordinary working people for far too long.

Our message is clear: It's time to Change The Rules.

Together, we need to:

- End record high casualisation - too many Australians have no control or say over the hours they work;
- Push for higher pay - stagnant wage growth has meant that many Australians haven't had a pay rise in years;
- Restore penalty rates, so that workers can get the weekend and public holiday rates they deserve;
- Close the gender pay gap, to make Australia a fair place to work for everyone.

Bring your family and friends to our May Day celebration with an afternoon of stalls, free rides, food, and entertainment at the May Day Festival at Prince Alfred Park following the march.

In unity,
