

St Basil's Enterprise Agreement and pay rise

Dear Member,

As members may be aware, the St Basil's Enterprise Bargaining Agreement (EBA) expired some years ago.

Members may also be aware that the HSU has been communicating to your employer about commencing bargaining for a new agreement.

Your employer has previously expressed an intention to commence bargaining for a new agreement next year, as part of the ACSA Template Agreement negotiations.

This leaves the issue of your pay rise for this year outstanding.

Following communication from the HSU, St Basil's management have confirmed a pay rise will be paid to staff this year and will be effective from the 1st of July 2019.

Your Union, the HSU, has written to St Basil's requesting to enter into negotiations for this pay rise.

We have communicated to St Basil's that it is important that staff have a say in any decision around their pay rise. We will inform members once a response is received.

As with any negotiations, when we have strong union membership, we get better pay outcomes. Encourage your workmates to join online at www.hsu.asn.au/join or phone the Union on 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
