

IDAU: Notice of dispute re rostering practices and RDOs

Dear Member,

The Union office has recently been contacted by a number of members who were concerned about changes that were being proposed to the way that RDOs are rostered in the IDAU.

We are concerned that the IDAU proposed to implement those changes before members were properly consulted. For that reason, we notified management of a dispute in relation to the proposed change as set out in the email attached to this newsletter.

As stated in the email, we have asked management to advise us of:

1. The reasons for the proposed change;
2. Any consultation undertaken by NSWHP in relation to the proposed change; and
3. Some days and times that you, or other appropriate representatives of NSWHP, are available to discuss this dispute, either in person or via teleconference.

We are currently waiting for a response from management.

If you have any questions, or would like to discuss this matter, please contact Brendan Edghill at the HSU office on 1300 478 679.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD

Subject: Proposed changes to rostering of RDOs in the IDAU
Date: Thursday, 2 May 2019 3:39:00 PM

Dear Ms Beilby

I email in relation to your recent emails to IDAU staff in which you advise that a decision has been to change the process by which RDOs are rostered. I notify you that the proposed change is now in dispute. As such, the change should not be put into effect and the status quo should apply until this dispute has been resolved.

To assist in resolving the dispute, can you please advise:

1. The reasons for the proposed change;
2. Any consultation undertaken by NSWHP in relation to the proposed change; and
3. Some days and times that you, or other appropriate representatives of NSWHP, are available to discuss this dispute, either in person or via teleconference.

I would appreciate if you could please confirm via return email that no change will be effected before we have had the opportunity to discuss, in accordance with the Award dispute resolution procedure.

Please do not hesitate to contact me to discuss.

Regards

Brendan Edghill
