Other facilities will be added to the list over time.

It is important that with any change process, members are aware they have rights.

- You have the right to be consulted about the change.
- You have the right to representation by the HSU.
- You have the right to take your time to think about any proposed change and seek advice before making a decision.

Please phone 1300 478 679 if you would like representation.

Through this change process, we will only be representing HSU members. Please encourage your workmates to join online at www.hsu.asn.au/join or phone 1300 478 679.

In unity,
