

ACT EBA Update

Dear Member,

I am pleased to advise that the *ACT Public Sector Health Professional Enterprise Agreement 2018-2021* was approved by the Fair Work Commission on Thursday 29 May 2019.

It joins the *ACT Public Sector Administrative and Related Classifications Enterprise Agreement 2018-2021* which was approved on 27 March 2019.

Agreements filed with the Fair Work Commission but not yet approved are:

- *ACT Public Sector Nursing and Midwifery Enterprise Agreement*
- *ACT Public Sector Support Services Enterprise Agreement*
- *ACT Public Sector Technical and Professional Enterprise Agreement*

We don't have an indication of when the Commission will approve these Agreements but as previously reported the ACT Government has approved the payment of backpay which is due to be paid on 13 June 2019.

In addition, Canberra Health Service has begun the process of forming the Classification Review Joint Working parties under the Health Professional and Support Services Agreement and referring matters arising from bargaining to the respective Directorate Consultative Committees. For Technical Officers under the TOPEA Agreement discussions are also occurring about how to progress their classification review.

In the meantime if any member has any questions about their Agreement or the Agreement approval process, please contact HSU Industrial Officer Julie Gordon on julie.gordon@hsu.asn.au or 1300 478 679.
