

Organiser X 2

The Health Services Union NSW/ACT/QLD is a strong, growing union that aims to use its collective power to build a fair and just society through improving conditions for our members in the health and aged care industry.

The HSU is currently hiring to fill two vacancies in Sydney, NSW.

Job Description

- Recruit workers to the HSU
- Build activism amongst union members and mentoring members into leadership positions.
- Visit workplaces in public health across Sydney, NSW.

Essential Experience and Qualifications

- The position requires someone with excellent communication, presentation, interpersonal and negotiations skills and who has the ability to work autonomously as well as in a team environment.
- Excellent organising skills and ideas
- Drivers licence
- Demonstrated success at growing union membership and leadership
- Ability to strategise and find solutions to challenges
- Passion for the union movement
- Ability to work some non-standard hours and occasionally travel to different parts of NSW

Desired Experience and Qualifications

- Knowledge and understanding of contemporary industrial issues.
